The UA4Food Faculty & Staff drive is underway, and our help is needed now more than ever. Because of federal cuts in food assistance, the Community Food Bank is over two million pounds of donated food behind last year. The people most vulnerable are those who are unemployed, underemployed, and seniors whose savings have run out. Forty percent of the clients the food bank serves are children.

There are several convenient ways to give:

- [Give online](#) through the UA4Food website

- Write a check payable to the Community Food Bank and send it to the Community Food Bank, PO Box 26727, Tucson, AZ 85726-6727. Please note UA4Food on the memo line.

- Contact a [UA4Food Ambassador](#) and bring food to a drop off location near you, including the UA Visitor Center, Swede Johnson Lobby, or Administration Building Room 221G.

- Deliver food to the “[Stuff the CatTran](#)” event sponsored by the Staff Advisory Council and Parking & Transportation Services, on Tuesday, April 1 from 6:00 am to 7:00 pm. The CatTran will be stationed at the intersection of University Blvd. and Cherry. Vehicles can pull right up to the curb to deliver food. This event culminates the UA4Food Faculty & Staff Drive.
